

Indian Hill Middle School Continuous School Improvement Plan

"All students college, career, and citizenship ready."

Overarching Goal

Increase the proficient percentage of our low socioeconomic status students (SES) on district level assessments. Currently, this collective group of students consistently scores 9-14% lower on district standardized assessments.

Academic Goal

1. To increase the proficiency performance of low socioeconomic status students (SES) to 50% proficient or highly proficient on the SMI testing by Spring 2018.
2. To increase the proficiency performance of low socioeconomic status students (SES) to 70% proficient or highly proficient on the SRI testing by Spring 2018.

School Climate Goal

1. To increase the on-track percentage of low socioeconomic status students (SES) to 60% on the CSD EWS by Spring 2018.
