## PRINCIPAL'S MESSAGE

Weather Report – January, 2017: BRISK, COLD, SNOW!

What a return to school! A delayed start our first day back. Let me take the time to ask your cooperation and patience as we start back to our school routines during these winter months. Please be cautious when entering the school zone. Reduce your speed, be courteous to other drivers and pedestrians, give yourself enough time to get to and from school without having to rush, etc. As the air quality is always a concern, remember that we are an "Idle Fee" school. If you are waiting to pick-up your student, please remember to "Turn the key and be idle free!" I would also ask that you do not leave cars unattended in the drop-off lanes and that you leave the bus lane for busses at all times during the school day. I appreciate your attention to keeping everyone safe and healthy in this incredible season. I hope you all had a wonderful break from the normal routine over the holiday!

Doug Graham  
Principal

**January**

6<sup>th</sup> Grade – Stress & Coping, Career Planning

7<sup>th</sup> Grade – UtahFutures and Career Exploration (<http://utahfutures.org>)

For more information about using Mind Pirates for coping with stress, please check out our Counseling Center website – under the Kindness Campaign tab.

## Kindness Campaign

In Social Studies classes, we've talked about Failing Forward and Gratitude. We talked about how every failure brings us one step closer to success when we learn from our experiences. Encourage your student to Fail Forward and to be grateful for all the wonderful people in his/her world!

## Support Services

Since the counselors are often in the classroom or have scheduled meetings/appointments, they may not be available if you drop by. To better meet your needs by scheduling an appointment with your student's counselor, please call the Counseling Center at 801-826-7122 or contact the counselor directly:
