Organizational Binders

New this year we as a school, are requiring every student to have a binder with a very specific setup and supplies in an effort to stay better organized. The students are also required to have their school planner in the binder as well. The complete list of the required binder materials can be found on our web page or picked up in the main office. We are also selling the binder with all materials necessary in the main office for \$20.00.

WELCOME TO SCHOOL!

PRINCIPAL'S MESSAGE

I want to welcome all of our new students, teachers and staff. The first few days are predictably unpredictable as students are finding classes, learning or relearning how to master their lockers, getting disclosure statements signed and back to teachers, etc. Remember to arm your student with our new organizational binder recommendation for every student.

Thank you for supporting your student to be successful,

Doug Graham
Principal
