## PRINCIPAL'S MESSAGE

We have an incredible opportunity to recognize an outstanding teacher each year as we select our Teacher of the Year. Thank you to the parents and students for submissions for consideration. This year we are pleased to recognize a truly compassionate, caring and loving teacher. Her students come to her classroom everyday knowing they will be supported and treated with a loving respect that allows them to take risks and expand on things known and unknown to them. She is incredibly detailed and passionate about making sure students have everything they need to be successful. Her amazing attitude and incredible smile is always present. She represents Indian Hills Middle School as this year's Teacher of the Year! Congratulations Jackie Oglesby!
