PRINCIPAL'S MESSAGE

It is hard to believe that we are almost ready to move back to our newly remodeled building. We are scheduled to move back in mid-July, with furnishings to follow shortly after. August will be a busy month getting classrooms set to open by our first day back. Look for an announcement concerning the ribbon cutting ceremony and celebration of completion.

I want to thank all of our 8th grade parents for having great students. They have been a great group to work with and have handled leading our displacement for a year with grace and dignity. Our 8th grade group has shown tremendous leadership this year, and I appreciate all they have sacrificed this year. Be proud of this amazing group of students! We wish them good luck and much success in high school and beyond.
