

Indian Hills Middle School Community Council Notes November 20, 2018

Members: Peter Baxter - ex Jeff Colemere - ex Doug Graham
Ron Halbert Jim Jensen Kisha Prince
Halley Nelson Aja Steck -ex Deanna Sullivan - ex
Roxann Wolfe

Agenda Items:

- Welcome
- Approval of Minutes – There were not enough parent members to approve the minutes, this will be done through an email vote.
- Administrative Information
 - Digital Citizenship Plan of action: due December 19, 2018 – The plan was approved last month. The NetSmartz assembly is scheduled for February. Monthly tips are sent out to teachers and posted for patrons on the website.
 - Parent/Teacher Conference Committee Report – Feedback on the report will be shared with the district. The SCC liked the overall concept change, but worried about only 1 day of scheduled conferences. The SCC would like to see the scheduled worked out to allow each school level (elementary, middle and high) have their own week so parent can attend each level if needed.
 - Overarching Goal Addition – Mr. Graham introduced Executive Functioning Skills as an addition to the CSIP overarching goal for next year.
- Discussion Items
 - As needed – Mr. Jensen is part of the district Suicide Prevention Committee and talked about their current activities. He asked if the school would feel comfortable at the possibility handing out NARCAN or gun cable locks as part of the committees efforts.
- PTSA Update – Jody Hadfield asked if we should get a committee together along with Alta High School to work out possible overlap activities as both school PTSAs are booking Collin Kartchner. Jim Jensen suggested that we use Land Trust monies to help pay for the speaker.

- Counseling Center Update –Roxanne Wolfe said that the counseling center is 4 weeks from completing the evening CCR schedule.
- Meeting adjourned
- Next Meeting: December 11, 2018
